

SDRS Questionnaire 2015

May we please take a few moments of your time and ask you to answer a few questions for us.... your views and opinions are of importance to us.

Synagogue Services and Events

We would like some feedback about our Shabbat and Festival Services and other events in the Synagogue which may be held either day-to-day, or monthly.

If you do not attend our services regularly can you tell us why you do not? We do understand that they might be held too early or too late in the day for you, or perhaps you find them too long, or difficult to understand. Whatever your reasons we would be interested to know. Just make some notes below to let us know.
